

## You can also include the following, among other things...

**Hospitalisation:** you will receive compensation for each day you are admitted.

**Serious dental accident:** if it involves more than three teeth, we will reimburse the costs of the treatment (maximum 6000 euros).

**With any kind of accident,** you are guaranteed a payment (between 600 and 60 000 euros) in the case of death or permanent disability.

**DKV Health and Well-being Club:** with major discounts on medical specialities and diagnostic tests.

## It's reassuring to have everything taken care of

DKV Protección Familiar/Plus  
DKV Ecofuneral

A lot to take care of

## Right by your side and your family when you need it most

The peace of mind in knowing that, in the most difficult times, like a death, your family will have the support they need, with a personalised, high-quality service.

With **DKV Protección Familiar**, as well as covering children under the age of 4 for free, you will have other health and assistance services so you can look after yourself now.

**Accompaniment:** your family will be helped by a professional manager.

**Help:** assistance, management and provision of the funeral service.

**Additional provision:** this covers all possible surplus costs.

**Free choice:** conditioning, transfer and burial in the selected cemetery in Spain.

**Travel with peace of mind** because, in an emergency, we cover medical expenses up to 18000 euros.

**Legal advice over the phone** for everyday legal queries.

**Specialised psychological support in person and over the phone**, for grief and palliative care.

**Repatriation of foreign residents:** processes and expenses, including a companion.

**Online will** with advice from a lawyer and notarial fees.

**Digital life deletion:** final management of social networks, email accounts, files in the cloud, etc.

## And if you want, you can make your insurance even more comprehensive

With DKV Protección Familiar Plus, you can get complementary assistance both for you and your family, including the following services:

- **Remote assistance:** home care for convalescents who need to be immobilised (longer than 7 days) and discounts on DNA extraction for preventive and healing purposes.
- **Junior assistance:** educational support services at home or in hospital, for children and adolescents aged 6 to 16 who must remain immobilised due to an illness or accident.
- **Family legal protection:** for claiming damages and legal defence of a private and family nature, up to 2000 euros in expenses. This also includes guidance for drawing up a Living Will.
- **Comprehensive pet care:** free information and advice over the phone regarding cats and dogs, with access to services and discounted prices, including managing the death of your pet (up to 250 euros).

## DKV Ecofuneral

Our last act can be very significant. You can choose the ecological funeral service modality to reduce the environmental impact of your final footprint. Check the availability of the service in your city at [www.dkvseguros.es](http://www.dkvseguros.es)

The DKV Ecofuneral services use:

- Caskets made with ecologically certified wood, water-based varnishes and natural fibre textiles
- Biodegradable urns made from natural or recycled materials
- Floral ornaments without floral foam, metal or plastics
- Commemorations on recycled paper
- 100% natural fibre sheet with a certificate of non-toxicity

### And we prioritise...

- Simplicity: avoiding superfluous waste and services
- Planning: forethought to facilitate decisions at such a sensitive time
